#### **Public presence**

- I contribute regularly to the press in Greece mostly on philosophical issues of public interest as well as on education, particularly the need for reform in tertiary education in Greece. More than 150 articles have been published over the years.
- I have given more than 120 talks in public venues on feminist issues, education, the value of the humanities, the relation of philosophy to art, ethics, multiculturalism. I have also participated in two "Nuits de la Philosophie" in 2015 and 2016, organized by the French Institute in Athens, the Delphi Forum, and have given a TEDx talk on identity.
- I have given 8 weekly lectures on "Science and Ethics" and "Philosophy of history" in 2011, 2016, 2017 at the Open Municipal University of Aghia Paraskevi in Attica.
